

WHO ARE WE? **MGM GROUP**

MGM GROUP, founded around 20 years ago, has first started its journey in the Licensed Products Sector; stationary sector. After gaining significant expertise in the stationary market, the company decided to move in to a new sector and acquired the license rights of men's accessories for the three major Turkish football clubs, Galatasaray, Besiktas and Fenerbahce in 2003.

As MGM Group was emerging to the flame lighters sector with the licensed lighters Flame Lighters Sector; of the three major football clubs, has decided that it would make magnificent business sense to manufacture the lighters in-house instead of importing them. So was the factory established in 2013, Istanbul, Turkey. From 2013 to 2019, MGM Group has shown the power of its business model, by expanding in the local market rapidly and exporting its goods to around 20 countries .

In the time-pieces sector currently: MGM-Arikan Time partnership owns the name rights of dominant brands such as Quantum, Essence, Wainer, I-Watch, Slazenger, Jaga, Belmond and Ferucci and also the distribution rights for Police, Superdry and Gant. Recently, 'Konyalı Saat' added to our company which has over 40 retail watch and eyeglasses shops all over Turkey.

MGM Group is the main license owner of the three biggest Turkish football clubs; Galatasaray, Fenerbahçe and Beşiktaş for the majority of the men accessories such as watches, keychains, coffee-mugs and lighters. In this sector MGM Group has more than 2000 point of sales.

MGM Group started manufacturing flame lighters and established its own factory in 2013 in Istanbul. Turkey. MGM Group's product quality supported by global certificates such as ISO 9994, 9001, 10002, 14001, OHSAS18001 and ISO EN 13869 Child Resistant.

Until this day: MGM GROUP has already exported goods to:

UK, Italy, Germany, Bosnia, Bulgaria, Albania, Georgia, Kosovo, Cyprus, Iran, Iraq, Palestine, Tunisia, Egypt, Lebanon, Jordan, Israel, Peru, Chile and Martinique.

A journey started around 20 years ago with two significant goals; Our first goal was to present in multiple sectors prioritizing the sustainable and continuously

developing high quality of products and our competitive price point. When it comes to our second goal, it was to adapt, evolve and develop our goods and business model in order to make the customer satisfaction better and better every day, no matter how small the changes are. Our drive to achieve these goals allowed us to establish our business on a solid ground and develop quicker when compared to our competitors. Now MGM, taking steps towards global expansion, is seeking for business relations with people who share similar drives and business ethics.

OUR VISION

To become the sector leader in every single sector we participate by offering our goods at a revolutionary price while prioritizing customer satisfaction, sustainable quality and innovation.

OUR MISSION

Our mission is to offer our customers the best quality, convenience and variety, at the most competitive prices possible.

OUR TARGETS AND PRINCIPLES MGM GROUP.

Is working to overstep its limits by developing different work models, so that the significant

presence and market share the company has in different sectors could carry along for decades. Never slows down in its pursuit to achieve its foreams, never compromises on product quality and customer service. Prioritizes customer satisfaction, product variety, innovations, self-motivation and being environmental friendly. Tries to build long lasting, sustainable business-relations in order to achieve its business goals. Supports projects with social benefits in order to add value in social responsibility projects and contributes to raising awareness about environmental issues through nature conservation projects together with its long time business partner, Arikan Time.
